

## WORK

### **Freelance Web & Graphic Designer** (Spring '09 – Present)

Nola Marketing, nolamarketing.com, SF Bay Area, CA

Currently working with a virtual creative agency in the San Francisco. Projects include designing and developing websites, brand identities brochures and other print materials.

### **Web & Graphic Designer** (Fall '07 – Spring '11)

Wishbone Creative, wishbonecreative.com, San Francisco, CA

Worked at a small creative agency in San Francisco. Projects included collaborating and designing websites, brand identities and print materials. One of the main projects worked on was developing the sister company, eco imprints, an earth friendly promotional products startup (ecoimprints.com).

### **Photography Assistant** (Fall '06 – Fall '07)

Ecophotography, ecophotography.com, Portsmouth, NH.

Worked for photographers and authors Jerry and Marcy Monkman doing design work, photo organization and photo retouching. Designed their personal site (jerryandmarcymonkman.com). Prepared and produced files for images used in the recently printed book, Wild Acadia by University Press of New England.

## RELATED

### **Pro Bono Web Design through Taproot Foundation** (Winter '10)

Was selected to work with a team of five to redesign the look and feel of an Oakland Non-Profit called NNIRR (National Network for Immigration and Refugee Rights).

### **Cycled Cross-Country** (Summer '06)

Designed, created and promoted a website, greencycling.com to raise money for Greenpeace while bicycling from Virginia to Oregon on the Transamerica bicycle trail.
